(3) Issuance of Restricted Stock Awards.

(Proposed by the Board of Directors)

#### **Explanatory Notes:**

- A. Terms of Restricted Stock Awards are as the following:
  - I. Expected total shares of issuance: A total no. of 3,000,000 common shares issued, each with a par value of NT\$10, for a total monetary amount of NT\$30,000,000.
  - II. Terms and conditions:
    - i. Expected issue price: The current issue is gratuitous.
    - ii. Vesting conditions:

Employees who, after subscribing for restricted stocks, are still employed as of each grant date and did not have any violation against the Company's employment agreement, employees' code of conduct, the depository agreement, corporate governance best practice principles, ethical corporate management best practice principles, work rules, non-competition and non-disclosure undertaking or other contractual agreements with the Company during the following period as recognized by the Company, shall be vested 100% if having been employed for two years since the grant date of each year.

Please refer to Attachment VIII: "Issuance Rules of Transcend 2025 Restricted Stock Awards Plan".

iii. Measures to be taken when employees fail to achieve the vesting conditions or in the event of inheritance:

The Company will redeem the issued restricted stock awards and cancel the full number of share in accordance with the terms of the issuance rules set by the Company.

- B. Qualification requirements for employees:
  - I. Full-time employees of the Company and full-time employees of domestic or foreign controlled or affiliated companies who are already employed on the date that the restricted stock awards are awarded.

- II. The number of granted shares shall be determined by seniority, position, performance, overall contribution operational conditions, and other conditions necessary for management. The results of shares distribution shall be reviewed by the Chairman and obtain approval in the meeting of the Board of Directors meeting. However, for employees who are directors or managers, the award of such shares is subject to approval by the Compensation Committee, and then submitted to the Board of Directors for discussion. For employees who are not directors or managers, the award of such shares is subject to approval by the Audit Committee, and then submitted to the Board of Directors for discussion.
- III. The sum of the cumulative number of shares granted to each employee shall be in accordance with the applicable laws and regulations in Offering Regulations.
- C. Restricted rights before employees meet the vesting conditions:
  - I. Before employees reach the vesting conditions, except by inheritance, employees may not sell, pledge, transfer, give to another person, create any encumbrance on, or otherwise dispose of, restricted stock awards.
  - II. The right of attendance, proposal, expression, voting, and election in the shareholders' shall all be exercised by the trust depository institution on their behalf. After the employees meet vesting conditions, the stocks and dividends will be transferred from the trust account to the personal depository account of the employee according to the provisions of the trust agreement (cash dividends will be transferred to the employee's designated personal bank account). When employees fail to meet the vesting conditions, such shares will be redeemed by the Company without charge and will be canceled. However, the dividends or shares resulting from such shares will not need to be returned or surrendered by the employee.
  - III. In addition to the provisions of the preceding paragraph, no share distribution rights including but not limited to: dividends, bonuses, capital reserve rights and cash capital increase options.
- D. The reason why it is necessary to issue restricted stocks for employees:
  - To attract and retain necessary professional talents and excellent employees, motivate staff, enhance employees' feeling of belonging to the Company, and foster the best interests of the Company and its shareholders, so as to ensure the alignment of the Company's employees and shareholders' interests.
- E. Calculated expense amount and impact on dilution of EPS or other factors affecting shareholder's equity: If based on the March 4, 2025 closing price, NT\$87.8, the annual amortized expenses from 2026 to 2028 will be projected as: NT\$88,401 thousand, NT\$131,700 thousand and NT\$43,299 thousand, respectively with the total amounts of NT\$263.4 million. As of March 4, 2025, the Company's issued outstanding shares are 429,854,675 shares, the dilution from 2026 to 2028 will be projected as: NT\$0.21, NT\$0.31 and NT\$0.10, respectively. There is limited dilution of the Company's future EPS, and there is

no material impact on existing shareholder's equity.

- F. Any other matters that need to be specified:
  - I. It is allowed to report to the competent authority in several times within one year after resolution of the shareholder's meeting. The Company may issue the shares in batches within two year after receiving the competent authority's approval.
  - II. The plan is passed by the resolution of the shareholder's meeting and the Board of Directors is authorized to handle all the issues regarding the issuance of Restricted Stock Awards. Any other matters not set forth in the plan, the Board of Directors authorizes the Chairman to amend or execute pursuant to the applicable laws and regulations.

### TRANSCEND INFORMATION, INC. BUSINESS REPORT

Looking back to 2024, the memory market was impacted by destocking and supply adjustments, leading to an overall price increase. However, the recovery of end-user demand was weaker than expected, and customers remained cautious in replenishing their inventories. Transcend maintained stable operations through a flexible pricing strategy, inventory management, and improved production efficiency.

In the first half of the year, the Company benefited from the appreciation of the US dollar and stable investment returns, ensuring steady operational growth. In the second half, market demand remained weak, and price increases slowed. In response, Transcend proactively adjusted its inventory allocation and continued to optimize production efficiency and cost control.

Transcend has strategically planned ahead in this ever-changing memory market, actively collaborated with suppliers, ensured stable supply through project implementation, maintained high production efficiency, and implemented a well-structured pricing strategy. Thanks to the dedication of all employees, the Company has maintained stable operating performance.

I would like to take this opportunity to thank all of our shareholders, customers, suppliers, and employees for their support and confidence in Transcend over the years.

#### a. DRAM Modules

With the rapid development of AI PCs, high-performance computing (HPC), and cloud technology, the demand for higher bandwidth and lower power consumption in the memory

market continues to grow. Transcend is actively expanding its DDR5 6400 DRAM module lineup to provide high-performance solutions for data centers, servers, and AI computing. Additionally, as edge computing, automotive electronics, and Industrial IoT (IIoT) applications expand, Transcend continues to enhance its industrial-grade DRAM products, offering highly stable, durable, and wide-temperature memory modules to meet the demands of harsh operating environments.

To expand its market reach, Transcend leverages global distribution, OEM partnerships, and e-commerce platforms while forming strategic alliances with chip suppliers to ensure a stable supply chain. Through rigorous quality testing and compatibility validation, Transcend ensures reliable products with comprehensive technical support and warranties for enterprise, industrial, and consumer applications.

#### b. Flash Products

Despite ongoing global economic challenges and a slow recovery in end-market demand through 2024, supply chain adjustments and inventory reductions have gradually stabilized DRAM and NAND flash prices, driving market recovery. Consumer demand for SSDs, CFexpress memory cards, and portable SSDs continues to grow, driven by AI-driven image processing, gaming, and high-definition video applications.

In industrial applications, enterprise SSDs (eSSDs) are expected to see steady growth in shipments, benefiting from the constant development of AI computing, big data, and edge computing. Transcend continues to enhance the durability, security, and data protection mechanisms of its industrial SSDs to ensure stable performance in high-reliability environments such as servers, industrial control systems, and automotive applications.

## Impacts of Future Development, External Environment, Regulatory Environment, and Overall Operating Environment

Transcend remains committed to its core business development while actively participating in corporate governance to ensure transparency and provide comprehensive information to shareholders and investors. Over the years, the Company has been dedicated to promoting youth sports development in Taiwan by sponsoring high school sports leagues and other athletic events. For more than a decade, Transcend has been a winner of the Sports Activist Awards from the Ministry of Education in Taiwan. Since 2015, the Company has actively promoted the Rural Baseball Seed Program, continuously supporting underprivileged children in Taiwan to play baseball and nurturing future sports talents.

The global IT industry continues to be driven by advancements in AI PCs, edge AI, high-performance computing, and cloud technology, fueling the demand for storage solutions that support AI training, inference computing, and high-speed data access applications. Looking ahead, Transcend will continue to strengthen its presence in the industrial market, expand its global sales channels, and introduce high-performance storage products tailored to market needs to enhance competitiveness and

profitability.

At the same time, the Company is committed to ESG and sustainable development by developing energy-efficient products, using eco-friendly packaging materials, and reducing its carbon footprint to build a green supply chain. By working closely with customers, Transcend aims to create a more sustainable future.

Finally, we extend our heartfelt gratitude to our shareholders for their long-term support and trust. We welcome your feedback and suggestions as we strive to create even greater value.

#### INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

PWCR 24000581

To the Board of Directors and Shareholders of Transcend Information, Inc.

#### **Opinion**

We have audited the accompanying parent company only balance sheets of Transcend Information, Inc. (the "Company") as at December 31, 2024 and 2023, and the related parent company only statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the parent company only financial statements, including a summary of material accounting policies.

In our opinion, the accompanying parent company only financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2024 and 2023, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### Basis for opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Independent auditors'* responsibilities for the audit of the parent company only financial statements section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Company's 2024 parent company only financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Company's 2024 parent company only financial statements are stated as follows:

#### Valuation of inventories

#### **Description**

Refer to Notes 4(13), 5(2) and 6(5) to the parent company only financial statements for the information on the Company's inventory accounting policy, estimates and assumptions and allowance for inventory valuation losses.

The percentage of the Company's inventories to total assets is material and the Company applies judgements and estimates in determining the net realizable value of inventories at the balance sheet date. The Company mainly produces DRAM and flash memory. As these products have a short life cycle and belong to a highly competitive industry, the market prices change frequently. Since the Company's inventories and the allowance for inventory valuation losses are material to the financial statements, the valuation of inventories has been identified as one of the key audit matters.

#### How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter:

- A. Obtained an understanding of the Company's operations and industry. Assessed the reasonableness of the policy and procedures to recognize allowance for inventory valuation losses.
- B. Obtained an understanding of the Company's inventory control procedures. Reviewed annual inventory count plan and observed the annual physical count of material inventory storage location in order to assess the effectiveness of internal controls over inventory.
- C. Obtained relevant evaluation reports of inventory and tested the logic and accuracy of information to assess the reasonableness of allowance for inventory valuation losses.

#### Estimation of allowance for sales discounts

#### Description

In consideration of business volume, the Company provides a variety of business incentives to specific customers or products, and based on that, the Company can estimate the allowance for sales discounts monthly. Refer to Notes 4(26) and 6(4) to the parent company only financial statements for the information on the estimation of allowance for sales discounts.

Since the contracts are numerous and the result could affect the net revenue in the parent company only financial statements, the estimation of allowance for sales discounts has been identified as one of the key audit matters.

#### How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter:

- A. Obtained an understanding of the Company's operations, industry and the procedures to recognize allowance for sales discounts.
- B. Obtained an understanding of the Company's sales procedures and interviewed management to assess the appropriateness of sales allowance contracts and internal control over estimation of allowance.
- C. Obtained the evaluation list of allowance for sales discounts, and tested material sales allowance contracts and recalculated it to assess the reasonableness of allowance determined by the Company.

Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Company's financial reporting process.

#### Independent auditors' responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgement and professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- E. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- F. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our auditors' report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

PWCR 24000580

To the Board of Directors and Shareholders of Transcend Information, Inc.

#### **Opinion**

We have audited the accompanying consolidated balance sheets of Transcend Information, Inc. and subsidiaries (the "Group") as at December 31, 2024 and 2023, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2024 and 2023, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

#### Basis for opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Independent auditors'* responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Group's 2024 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Group's 2024 consolidated financial statements are stated as follows:

#### Valuation of inventories

#### Description

Refer to Notes 4(14), 5(2) and 6(5) to the consolidated financial statements for the information on the Group's inventory accounting policy, estimates and assumptions and allowance for inventory valuation losses.

The percentage of the Group's inventories to total assets is material and the Group applies judgements and estimates in determining the net realizable value of inventories at the balance sheet date. The Group mainly produces DRAM and flash memory. As these products have a short life cycle and belong to a highly competitive industry, the market prices change frequently. Since the Group's inventories and the allowance for inventory valuation losses are material to the financial statements, the valuation of inventories has been identified as one of the key audit matters.

#### How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter:

- A. Obtained an understanding of the Group's operations and industry. Assessed the reasonableness of the policy and procedures to recognize allowance for inventory valuation losses.
- B. Obtained an understanding of the Group's inventory control procedures. Reviewed annual inventory count plan and observed the annual physical count of material inventory storage location in order to assess the effectiveness of internal controls over inventory.
- C. Obtained relevant evaluation reports of inventory and tested the logic and accuracy of information to assess the reasonableness of allowance for inventory valuation losses.

#### **Estimation of allowance for sales discounts**

#### **Description**

In consideration of business volume, the Group provides a variety of business incentives to specific customers or products, and based on that, the Group can estimate the allowance for sales discounts monthly. Refer to Notes 4(27) and 6(4) to the consolidated financial statements for the information on the estimation of allowance for sales discounts.

Since the contracts are numerous and the result could affect the net revenue in the consolidated financial statements, the estimation of allowance for sales discounts has been identified as one of the key audit matters.

#### How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter:

- A. Obtained an understanding of the Group's operations, industry and the procedures to recognize allowance for sales discounts.
- B. Obtained an understanding of the Group's sales procedures and interviewed management to assess the appropriateness of sales allowance contracts and internal control over estimation of allowance.
- C. Obtained the evaluation list of allowance for sales discounts, and tested material sales allowance contracts and recalculated it to assess the reasonableness of allowance determined by the Group.

#### Other matter – Parent company only financial reports

We have audited and expressed an unmodified opinion on the parent company only financial statements of Transcend Information, Inc. as at and for the years ended December 31, 2024 and 2023.

### Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

#### Independent auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgement and professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- E. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- F. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or

| regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we   |
|--|
| determine that a matter should not be communicated in our auditors' report because the adverse         |
| consequences of doing so would reasonably be expected to outweigh the public interest benefits of such |
| communication.   |

# TRANSCEND INFORMATION INC. ISSUANCE RULES OF TRANSCEND 2025 RESTRICTED STOCK AWARDS PLAN

#### Article 1: Purpose

In order to attract and retain professional talent needed for the Company, incentivize employees and increase employee cohesion for mutually improving both the Company's and shareholders' interests and ensuring alignment of employee interests and shareholders' interests, the following issuance rules of Transcend 2023 Restricted Stock Awards Plan ("the Rules") are stipulated in accordance with Paragraph 9, Article 267 of the Company Act, and Exchange Act and the Regulations Governing the Offering Issuance of Securities by Securities Issuers ("the Regulation") released by the Financial Supervisory Commission.

#### Article 2: Duration of issuance

With two year following the day the approval notice from the competent authority is delivered, the Company may issue the restricted stock awards once or multiple times. The actual date of issuance and related matters shall be determined by the Chairman of the Company ("the Chairman") as authorized by the Company's Board of Directors ("the Board of Directors").

#### Article 3: Qualification requirements for employees

- 1. Employees eligible for subscription are limited to full-time official employees of the Company and employees of domestic and foreign controlling or subordinate companies who have been employed as of the issue date of restricted stocks. The so-called "controlling or subordinate companies" shall be determined based on the criteria stipulated under Articles 369-2 and 369-3, Paragraph 2, Article 369-9, and Article 369-11.
- 2. The actual number for eligible employees' subscriptions will be based on seniority, job level, work performance, overall contribution, operation situations and other reference factors needed for management, in consideration of the Company's operational needs and development strategies needed for business, and will be reviewed by the Chairman and submitted to the Board of Directors for approval. For directors and managerial officers who are employees, the number for subscriptions shall be first approved by the Remuneration Committee and then approved by the Board of Directors. For employees who are not directors or managerial officers, the number for subscriptions shall be first approved by the Audit Committee and then approved by the Board of Directors.
- 3. The cumulative number of new shares acquired by a single employee through restricted stock awards shall not exceed 0.3 percent of the Company's total outstanding stocks in combination with the cumulative number of stocks for subscription in the employee stock warrants issued by the Company and granted to such employee under Paragraph 1, Article 56-1 of the Regulation, and shall not exceed 1 percent of the Company's total outstanding stocks in combination with the cumulative number of stocks for subscription in the employee stock warrants issued by the Company and granted to such employee under Paragraph 1, Article 56 of the Regulation. However, with special approval from the central authority of the relevant industry, the total number of employee stock warrants and employee restricted stocks acquired by a single employee may be exempted from the aforesaid restrictions. If the authority updates relevant provisions, such updated provisions shall apply.

### Article 4: Total amount of issuance

The total number of shares issued by the Company under this plan shall be 3,000,000 common shares, each share having a par value of NT\$10, for a total amount of NT\$30,000,000.

#### Article 5: Vesting conditions for restricted stock awards and restricted contents thereof

- 1. Issue price: The current issue is gratuitous.
- 2. Class of issued shares: the Company's newly issued common shares.
- 3. Vesting conditions:
  - i. Employees who, after subscribing for restricted stocks, are still employed as of each grant date and did not have any violation against the Company's employment agreement, employees' code of conduct, the depository agreement, corporate governance best practice principles, ethical corporate management best practice principles, work rules, non-competition and non-disclosure undertaking or other contractual agreements with the Company during the following period as recognized by the Company, shall be vested 100% if having been employed for two years since the grant date of each year, while the vesting unit is one share.
  - ii. Where an employee subscribes for restricted stocks but voluntarily resigns, is terminated, is dismissed, retires, or is transferred to an affiliated enterprise within two years of the grant date, his or her subscribed but unvested stocks shall be taken back by the Company for free.
- iii. Where an employee subscribes for restricted stocks but violates the Company's employment agreement, work rules or other regulations of the Company, his or her unvested stocks may be taken back by the Company for free depending on the seriousness of such violations.
- iv. Where an employee is disabled or deceased due to occupational accidents or is deceased, his or her unvested stocks shall be handled as follows:
  - a. Disabled due to occupational accidents and thus dismissed: Unvested stocks are deemed meeting all vesting conditions as of the date when the dismissal becomes valid.
  - b. Deceased due to occupational accidents: Unvested stocks are deemed meeting all vesting conditions as of the date of the decease. The successor(s) of the deceased, after completing all necessary procedures according to the law and providing relevant supporting documents, may apply for receiving the deceased's stocks to be succeeded or benefits that have been disposed of.
  - c. Deceased: Unvested stocks are deemed not meeting vesting conditions as of the date of the decease. The Company will take them back according to the law and cancel registration.
- v. Leave without pay: Where an employee applies for leave without pay due to the government's laws and regulations, serious personal illness, major family causes or studying abroad, and obtains special approval from the Company, the benefits of his or her unvested stocks may be resumed after reinstatement, but the period for meeting vesting conditions shall be deferred in accordance with the period of leave without pay.
- vi. Restricted stocks that are taken back by the Company for free will be cancelled registration by the Company.
- vii. After employees subscribe for restricted stocks, rights which are restricted before vesting conditions are met are as follows:
  - a. Except for succession, employees who subscribed for restricted stocks and have not met vesting conditions shall not sell, pledge, transfer, gift to others, create an encumbrance on or otherwise dispose of the same.
  - b. Attending, submitting proposals, giving speeches, and exercising voting rights and rights of election at a shareholders' meeting are conducted in accordance with the trust and depository agreement. After an employee meets vesting conditions, stock dividends and cash dividends will be transferred from the trust account to the employee's personal account at the TDCC pursuant to the trust and depository agreement

(cash dividends are to be transferred to the employee's personal bank account). The unvested stocks of an employee who does not meet vesting conditions will be taken back for free and cancel registration; the stock dividends or cash dividends accrued therefrom, however, are not required to be refunded or repaid by the employee.

- c. Except for the trust requirement in the preceding paragraph, employees who subscribed for restricted stocks pursuant to the Rules and have not met vesting conditions shall have the same rights in, among others, receiving stock dividends, cash dividends and additional paid-in capital and subscribing for new shares upon capital increase by cash as the Company's outstanding common stocks.
- viii. Other material conditions: Restricted stocks shall be promptly and directly entrusted to a depository institute appointed by the Company after issuance. The Company or a person appointed by the Company shall represent employees to sign a trust agreement with the entrusted depository institute of the stocks.

#### Article 6: Execution and confidentiality of the agreement

- Employees who subscribe for restricted stocks, after notification by the responsible unit of the Company, must execute a "Consent Letter for Receiving Restricted Stocks" and complete relevant depository procedures so as to be deemed receiving restricted stocks. Those who do not execute relevant documents are deemed waiving the right to restricted stocks.
- 2. Rightholders who subscribe for restricted stocks and their derivative benefits pursuant to the Rules shall comply with the Rules and the "Consent Letter for Receiving Restricted Stocks"; violators are deemed not meeting vesting conditions. Moreover, employees who execute the consent letter shall comply with confidentiality obligations, not disclosing relevant contents of this case and personal interests to any third party; violators are deemed not meeting vesting conditions, and the Company may take back unvested stocks for free and cancel registration.

### Article 7: Tax

Any tax incurred from granting the restricted stock awards under the Plan shall be governed by the applicable R.O.C laws and regulations.

#### Article 8: Implementation procedures

The relevant procedures and detailed operation timeline will be informed to granted employees by the responsible unit of the Company.

# Article 9: Implementation and revision

- 1. The Rules shall obtain approval by the majority votes in a meeting of Board of Directors which two-thirds or more directors are present, and then executed after effective registration with the competent authority. If modifications of the issuance rules are required due to amendment to the laws and regulations or instructions from the competent authority, the Chairman is authorized to make any necessary amendment to the Rules. The amendment to the Rules shall be proposed to be reviewed and approved by the Board of Directors for ratification and issuance.
- 2. For the matters not stipulated in the Rules, relevant applicable laws and regulations shall be referred.

<sup>1.</sup> Please describe the policy, system, standard, and structure of remuneration to independent directors, and the correlation between duties, risk, and time input with the amount of remuneration:

The meeting attendance fees for the company's directors and independent directors are determined based on the number of meetings attended. Independent directors receive a fixed remuneration, which is paid monthly. The remuneration for general directors is determined with reference to the company's overall operating performance, future industry risks and development trends, as well as each director's contributions to the company's operations and the results of the annual board (including individual director) performance evaluation. Reasonable remuneration is provided accordingly. Additionally, according to Articles of Incorporation, if the company has profits for the year, no more than 0.2% of the annual profit shall be allocated as directors' compensation.

<sup>2.</sup> In addition to the above remuneration, director remuneration shall be disclosed as follows when received from companies included in the consolidated financial statements in the most recent year to compensate directors for their services, such as being independent contractors: NT\$2,805 thousands.

Note 1: The compensation of employees approved by the Board of Directors for the year ended December 31, 2024 is NT\$28,289,111.

Note 2: The company held a board election on June 21, 2024. As a result, the following directors were dismissed on June 21, 2024: Chui, Li-Chu, Hsu, Chia-Hsian, Chen, Po-Shou, Wu, Kuan-De, Chen, Yi-Liang, Chen, Lo-Min, and Wang, Yi-Hsin. The following directors were appointed on the same date: Shu, Dao-An, Cheng, Yan-Wei, Jiayun Investment Inc. (Representative: Yeh Ming-Han), Lin, Shu-Shan, Lin, Jia-Xing, Chen, Shi-Hong, and Kuo, Tsung-Ming.

# TRANSCEND INFORMATION, INC. RULES AND PROCEDURES OF SHAREHOLDERS' MEETING

- Article 1: To establish a strong governance system and sound supervisory capabilities for this Corporation's shareholders meetings, and to strengthen management capabilities, these Rules are adopted pursuant to Article 5 of the Corporate Governance Best-Practice Principles for TWSE/GTSM Listed Companies.
- Article 2: The rules of procedures for this Corporation's shareholders meetings, except as otherwise provided by law, regulation, or the articles of incorporation, shall be as provided in these Rules.
- Article 3: Unless otherwise provided by law or regulation, this Corporation's shareholders meetings shall be convened by the board of directors.

This Corporation shall prepare electronic versions of the shareholders meeting notice and proxy forms, and the origins of and explanatory materials relating to all proposals, including proposals for ratification, matters for deliberation, or the election or dismissal of directors, and upload them to the Market Observation Post System (MOPS) before 30 days before the date of a regular shareholders meeting or before 15 days before the date of a special shareholders meeting. This Corporation shall prepare electronic versions of the shareholders meeting agenda and supplemental meeting materials and upload them to the MOPS before 30 days before the date of the regular shareholders meeting or before 15 days before the date of the special shareholders meeting. In addition, before 15 days before the date of the shareholders meeting, this Corporation shall also have prepared the shareholders meeting agenda and supplemental meeting materials and made them available for review by shareholders at any time. The meeting agenda and supplemental materials shall also be displayed at this Corporation and the professional shareholder services agent designated thereby as well as being distributed on-site at the meeting place.

The reasons for convening a shareholders meeting shall be specified in the meeting notice and public announcement. With the consent of the addressee, the meeting notice may be given in electronic form.

Election or dismissal of directors, amendments to the articles of incorporation, reduction of capital, application for the approval of ceasing its status as a public company, approval of competing with the company by directors, surplus profit distributed in the form of new shares, reserve distributed in the form of new shares, the dissolution, merger, or demerger of the corporation, or any matter under Article 185, paragraph 1 of the Company Act, Articles 26-1 and 43-6 of the Securities and Exchange Act and Articles 56-1 and 60-2 of the Regulations Governing the Offering and Issuance of Securities Issuers shall be set out and the essential contents explained in the notice of the reasons for convening the shareholders meeting. None of the above matters may be raised by an extraordinary motion.

Where re-election of all directors as well as their inauguration date is stated in the notice of the reasons for convening the shareholders meeting, after the completion of the re-election in said meeting such inauguration date may not be altered by any extraordinary motion or otherwise in the same meeting.

A shareholder holding one percent or more of the total number of issued shares may submit to this Corporation a proposal for discussion at a regular shareholders meeting. The number of items so proposed is limited to one only, and

no proposal containing more than one item will be included in the meeting agenda. When the circumstances of any subparagraph of Article 172-1, paragraph 4 of the Company Act apply to a proposal put forward by a shareholder, the board of directors may exclude it from the agenda. A shareholder may propose a recommendation for urging the corporation to promote public interests or fulfill its social responsibilities, provided procedurally the number of items so proposed is limited only to one in accordance with Article 172-1 of the Company Act, and no proposal containing more than one item will be included in the meeting agenda.

Prior to the book closure date before a regular shareholders meeting is held, this Corporation shall publicly announce its acceptance of shareholder proposals in writing or electronically, and the location and time period for their submission; the period for submission of shareholder proposals may not be less than 10 days.

Shareholder-submitted proposals are limited to 300 words, and no proposal containing more than 300 words will be included in the meeting agenda. The shareholder making the proposal shall be present in person or by proxy at the regular shareholders meeting and take part in discussion of the proposal.

Prior to the date for issuance of notice of a shareholders meeting, this Corporation shall inform the shareholders who submitted proposals of the proposal screening results, and shall list in the meeting notice the proposals that conform to the provisions of this article. At the shareholders meeting the board of directors shall explain the reasons for exclusion of any shareholder proposals not included in the agenda.

Article 4: For each shareholders meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by this Corporation and stating the scope of the proxy's authorization.

A shareholder may issue only one proxy form and appoint only one proxy for any given shareholders meeting, and shall deliver the proxy form to this Corporation before five days before the date of the shareholders meeting. When duplicate proxy forms are delivered, the one received earliest shall prevail unless a declaration is made to cancel the previous proxy appointment.

After a proxy form has been delivered to this Corporation, if the shareholder intends to attend the meeting in person or to exercise voting rights electronically, a written notice of proxy cancellation shall be submitted to this Corporation before two business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail..

- Article 5: The venue for a shareholders meeting shall be the premises of this Corporation, or a place easily accessible to shareholders and suitable for a shareholders meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m. Full consideration shall be given to the opinions of the independent directors with respect to the place and time of the meeting.
- Article 6: Shareholders and their proxies (collectively, "shareholders") shall attend shareholders meetings based on attendance cards, sign-in cards, or other certificates of attendance. This Corporation may not arbitrarily add requirements for other documents beyond those showing eligibility to attend presented by shareholders. Solicitors soliciting proxy forms shall also bring identification documents for verification.

This Corporation shall furnish the attending shareholders with an attendance book to sign, or attending shareholders may hand in a sign-in card in lieu of signing in.

This Corporation shall furnish attending shareholders with the meeting agenda book, annual report, attendance card, speaker's slips, voting slips, and other meeting materials. Where there is an election of directors, pre-printed ballots shall also be furnished.

When the government or a juristic person is a shareholder, it may be represented by more than one representative at a shareholders meeting. When a juristic person is appointed to attend as proxy, it may designate only one person to represent it in the meeting.

Article 7: If a shareholders meeting is convened by the board of directors, the meeting shall be chaired by the chairperson of the board. When the chairperson of the board is on leave or for any reason unable to exercise the powers of the chairperson, the vice chairperson shall act in place of the chairperson; if there is no vice chairperson or the vice chairperson also is on leave or for any reason unable to exercise the powers of the vice chairperson, the chairperson shall appoint one of the managing directors to act as chair, or, if there are no managing directors, one of the directors shall be appointed to act as chair. Where the chairperson does not make such a designation, the managing directors or the directors shall select from among themselves one person to serve as chair.

It is advisable that shareholders meetings convened by the board of directors be chaired by the chairperson of the board in person and attended by a majority of the directors, at least one independent director in person, and at least one member of each functional committee on behalf of the committee. The attendance shall be recorded in the meeting minutes.

If a shareholders meeting is convened by a party with power to convene but other than the board of directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.

This Corporation may appoint its attorneys, certified public accountants, or related persons retained by it to attend a shareholders meeting in a non-voting capacity.

Article 8: This Corporation, beginning from the time it accepts shareholder attendance registrations, shall make an uninterrupted audio and video recording of the registration procedure, the proceedings of the shareholders meeting, and the voting and vote counting procedures.

The recorded materials of the preceding paragraph shall be retained for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Article 9: Attendance at shareholders meetings shall be calculated based on numbers of shares. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in plus the number of shares whose voting rights are exercised electronically.

The chair shall call the meeting to order at the appointed meeting time and disclose information concerning the number of nonvoting shares and number of shares represented by shareholders attending the meeting.

However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more

than one hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned.

If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders meeting shall be convened within one month.

When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.

Article 10: If a shareholders meeting is convened by the board of directors, the meeting agenda shall be set by the board of directors. Votes shall be cast on each separate proposal in the agenda (including extraordinary motions and amendments to the original proposals set out in the agenda). The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting.

The provisions of the preceding paragraph apply mutatis mutandis to a shareholders meeting convened by a party with the power to convene that is not the board of directors.

The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders meeting. If the chair declares the meeting adjourned in violation of the rules of procedure, the other members of the board of directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.

The chair shall allow ample opportunity during the meeting for explanation and discussion of proposals and of amendments or extraordinary motions put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed, call for a vote, and schedule sufficient time for voting.

Article 11: Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.

A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.

Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech.

When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.

When a juristic person shareholder appoints two or more representatives to attend a shareholders meeting, only one of the representatives so appointed may speak on the same proposal. After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond.

Article 12: Voting at a shareholders meeting shall be calculated based on the number of shares.

With respect to resolutions of shareholders meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares.

When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of this Corporation, that shareholder may not vote on that item, and may not exercise voting rights as proxy for any other shareholder.

The number of shares for which voting rights may not be exercised under the preceding paragraph shall not be calculated as part of the voting rights represented by attending shareholders.

With the exception of a trust enterprise or a shareholder services agent approved by the competent securities authority, when one person is concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed three percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the calculation.

Article 13: A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under Article 179, paragraph 2 of the Company Act.

When this Corporation holds a shareholder meeting, it shall adopt exercise of voting rights by electronic means. When voting rights are exercised by electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting rights by electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that this Corporation avoid the submission of extraordinary motions and amendments to original proposals.

A shareholder intending to exercise voting rights by electronic means under the preceding paragraph shall deliver a written declaration of intent to this Corporation before two days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by electronic means, in the event the shareholder intends to attend the shareholders meeting in person, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to this Corporation, by the same means by which the voting rights were exercised, before two business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by electronic means shall prevail. When a shareholder has exercised voting rights both by electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

Except as otherwise provided in the Company Act and in this Corporation's articles of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. At the time of a vote, the shareholders shall vote by a poll for each proposal. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.

When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.

Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of this Corporation.

Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at the meeting, and a record made of the vote.

Article 14: The election of directors at a shareholders meeting shall be held in accordance with the applicable election and appointment rules adopted by this Corporation, and the voting results shall be announced on-site immediately, including the names of those elected as directors and the numbers of votes with which they were elected, and the names of directors not elected and number of votes they received.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 15: Matters relating to the resolutions of a shareholders meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. The meeting minutes may be produced and distributed in electronic form.

This Corporation may distribute the meeting minutes of the preceding paragraph by means of a public announcement made through the MOPS.

The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their voting results (including the number of voting rights), and disclose the number of voting rights won by each candidate in the event of an election of directors. The minutes shall be retained for the duration of the existence of this Corporation.

Article 16: On the day of a shareholders meeting, this Corporation shall compile in the prescribed format a statistical statement of the number of shares obtained by solicitors through solicitation and the number of shares represented by proxies, and shall make an express disclosure of the same at the place of the shareholders meeting.

If matters put to a resolution at a shareholders meeting constitute material information under applicable laws or regulations or under Taiwan Stock Exchange Corporation regulations, this Corporation shall upload the content of such resolution to the MOPS within the prescribed time period.

Article 17: Staff handling administrative affairs of a shareholders meeting shall wear identification cards or arm bands.

The chair may direct the proctors or security personnel to help maintain order at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification card or armband bearing the word "Proctor."

At the place of a shareholders meeting, if a shareholder attempts to speak through any device other than the public

address equipment set up by this Corporation, the chair may prevent the shareholder from so doing.

When a shareholder violates the rules of procedure and defies the chair's correction, obstructing the proceedings and refusing to heed calls to stop, the chair may direct the proctors or security personnel to escort the shareholder from the meeting.

Article 18: When a meeting is in progress, the chair may announce a break based on time considerations. If a force majeure event occurs, the chair may rule the meeting temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.

If the meeting venue is no longer available for continued use and not all of the items (including extraordinary motions) on the meeting agenda have been addressed, the shareholders meeting may adopt a resolution to resume the meeting at another venue.

A resolution may be adopted at a shareholders meeting to defer or resume the meeting within five days in accordance with Article 182 of the Company Act.

Article 19: These Rules shall take effect after having been submitted to and approved by a shareholders meeting. Subsequent amendments thereto shall be effected in the same manner.

# Procedures for Lending Funds to other Parties (Before amendment)

Approved by the Shareholders' Meeting on June 19, 2020

# Purpose:

These procedures are established to provide a guideline for the Company's fund-lending activities.

Section I: Content

Article 1: Borrowers

- 1. Entities that have business dealings with the Company.
- 2. Entities that have a short-term need for financing from the Company.

The term "short-term" refers to a period of one year. However, if the company's business cycle exceeds one year, the business cycle shall apply.

The "amount of financing" refers to the accumulated balance of short-term financing funds provided by the Company.

# Article 2: Reasons and Necessity for Loaning Funds to Others

- 1.If the Company engages in fund-lending due to business dealings with other companies or firms, such lending shall comply with the provisions of Paragraph 2 of Article 3.
- 2.Lending funds due to short-term financing needs is limited to the following circumstances:
  - (1) Where a company in which the Company holds more than 50% of shares requires short-term financing due to business needs.
  - (2) Where another company or firm requires short-term financing for material procurement or operational turnover.
  - (3) Other circumstances where fund lending is approved by the Board of Directors of the Company.

#### Article 3: Aggregate and Individual Limits on Loaning of Funds

- 1.Total Loanable Amount: The total amount of funds loaned by the Company shall not exceed 20% of the Company's net worth.
- 2.Limit per Borrower:
  - (1) For companies or firms with business dealings with the Company, the individual loan amount shall not exceed the total transaction amount between both parties in the twelve months before the lending date (transaction amount refers to the higher of purchases or sales between the parties), and shall not exceed 10% of the Company's net worth.
  - (2) For companies or firms that require short-term financing, the individual loan amount shall not exceed 10% of the Company's net worth.
- 3.Exceptions: The restrictions in Paragraphs 1 and 2 do not apply to intercompany loans between overseas companies where the Company directly or indirectly holds 100% of the voting shares or to loans from such

overseas subsidiaries to the Company. However, the total loan amount shall not exceed 40% of the lending company's net worth, and the limit per borrower shall not exceed 20% of the lending company's net worth. The loan term shall not exceed five years.

#### Article 4: Loan Procedures

# 1. Application:

When applying for financing, the borrower shall submit an official request to the Company's financial unit, specifying the loan amount, term, and purpose.

#### 2. Credit Investigation:

The Company shall require the borrower to submit relevant company and financial documents in writing when applying for financing (except for affiliated enterprises).

After receiving the application, the Finance and Accounting Department shall investigate and evaluate the borrower's business operations, financial status, debt repayment ability, credit standing, profitability, and loan purpose, and prepare a report.

The Finance and Accounting Department shall assess the borrower based on the following criteria:

- (1) Necessity and reasonableness of the loan.
- (2) Whether the loan amount is necessary based on the borrower's financial condition.
- (3) Whether the accumulated loan amount is within the approved limit.
- (4) Potential impact on the Company's operational risk, financial status, and shareholders' equity.
- (5) Whether collateral should be obtained and the assessment of its value.
- (6) Inclusion of the borrower's credit investigation and risk evaluation records.

# 3. Loan Approval:

- (1) If the credit investigation or evaluation results indicate that the borrower has poor credit standing or inappropriate loan usage, the responsible personnel shall report the rejection with justifications for approval.
- (2) If the evaluation results are satisfactory, the responsible personnel shall prepare a credit report and submit it for review by the President or Chairman before seeking approval from the Board of Directors. The financial unit shall then process the loan.
- (3) Once the loan is approved, the financial unit shall notify the borrower of the loan conditions, including amount, term, interest rate, collateral, and guarantor, and require the borrower to complete the contract signing within the specified period.

# 4. Contract Signing and Verification:

- (1) The responsible personnel shall draft a loan contract based on the approved terms and proceed with the signing process.
- (2) After the borrower and joint guarantor have signed and sealed the contract, the responsible personnel shall conduct a verification process.

# 5. Security Measures:

(1) Except for land, all collateral shall be insured. Vehicles used as collateral shall be fully insured, and the insurance policy shall name the Company as the beneficiary.

(2) The Company may require a promissory note as collateral. In necessary cases, mortgages on movable or immovable property shall be established. If a borrower provides a guarantor with sufficient financial strength and creditworthiness instead of collateral, the Board of Directors shall review the credit report of the guarantor. If the guarantor is a company, its articles of incorporation must explicitly permit such guarantees.

# 6. Authorization Scope:

Fund lending shall be subject to credit evaluation by the Finance and Accounting Department and must be approved by the Board of Directors. The Board shall consider the opinions of independent directors and document their consent or objections in meeting minutes.

Loans between the Company and its parent or subsidiaries, or between subsidiaries, shall be approved by the Board of Directors. The Chairman may be authorized to disburse loans within a specified limit and for a term not exceeding one year.

#### 7. Disbursement:

Loans may only be disbursed after approval, contract signing, submission of promissory notes or loan documents, completion of collateral registration, and insurance procedures.

#### Article 5: Loan Term and Interest Rate Calculation

- 1.Each loan shall not exceed one year. Extensions are subject to Board approval and may only be granted once.
- 2.Interest rates shall not be lower than either the Taiwan Bank's short-term loan prime rate on the lending date or the Company's borrowing cost. Interest shall be paid monthly on the 5th day unless otherwise approved by the Board.
- 3.Interest rates for loans to affiliated enterprises are not subject to the above restrictions and shall be determined by the Board.

# Article 6: Post-Lending Control and Handling of Overdue Loans

- 1. The financial unit shall maintain loan records and monitor the financial and credit status of borrowers and guarantors. Any significant changes shall be reported to the Chairman for appropriate action.
- 2.Loan repayments must include principal and accrued interest before promissory notes or mortgage releases are processed.
- 3.Overdue loans must be repaid immediately. Extensions are limited to three months and require Board approval. If overdue, the Company may dispose of collateral or pursue legal action.

#### Article 7: Internal Control

- 1. The Company shall maintain a record book for fund-lending details.
- 2. The internal audit department shall audit fund-lending activities at least quarterly and report any major violations to the Audit Committee.

3.If a borrower no longer meets the eligibility criteria or exceeds loan limits, an improvement plan shall be submitted to the Audit Committee.

#### Article 8: Public Disclosure

- 1. The Company shall publicly disclose and report the balance of funds loaned by the Company and its subsidiaries for the previous month by the 10th of each month.
- 2. The Company shall publicly disclose and report within two days from the occurrence of any of the following circumstances:
- (1) The total outstanding balance of funds loaned by the Company and its subsidiaries reaches 20% or more of the Company's net worth as stated in the most recent financial statements.
- (2) The total outstanding balance of funds loaned by the Company and its subsidiaries to a single entity reaches 10% or more of the Company's net worth as stated in the most recent financial statements.
- (3) A public company or its subsidiaries extend a new loan amounting to NT\$10 million or more and reaching 2% or more of the public company's net worth as stated in the most recent financial statements.
- 3. The "date of occurrence" referred to in this procedure shall mean whichever is earlier among the contract signing date, payment date, board resolution date, or any other date that confirms the loan recipient and amount.
- 4. If the Company's subsidiary is not a domestically listed public company and any of the aforementioned reporting obligations arise, the Company shall handle the public disclosure and reporting on behalf of the subsidiary.

#### Section II: Other Matters

- 1. Subsidiaries must establish fund-lending procedures and comply accordingly.
- 2. The Company shall assess loans and set aside sufficient bad debt reserves.
- 3. The definition of "subsidiary" and "parent company" shall follow relevant financial reporting standards.
- 4. Any matters not specified in these procedures shall comply with relevant laws and the Company's regulations.

# Section III: Effectiveness and Amendments

The formulation and amendments of the Company's Procedures for Lending Funds to Others shall be approved by the Audit Committee and the Board of Directors before being submitted to the shareholders' meeting for approval. If any director expresses dissent and such dissent is recorded or stated in writing, the Company shall present the dissenting opinion to the shareholders' meeting for discussion.

The formulation or amendment of these procedures shall require the approval of more than half of all Audit Committee members before being submitted to the Board of Directors for resolution.

If the preceding requirement is not met, the procedures may be approved by at least two-thirds of all directors, and the resolution of the Audit Committee shall be recorded in the minutes of the Board of Directors meeting.
